Question

Could we receive the OFI information prior to the pre-proposal conference?

Answer

The OFI documents as outlined on the solicitation and additional OFI documents have been made available on the ship operations web site at

Entities are not required to return addendums. However, entities are responsible to make themselves aware of, obtain and incorporate any changes made in any addendums issued into their final offer. Failure to do so may, in effect, make the offer non-responsive, which may cause the offer to be rejected.
